1. Information to be filled in by the supplier

Name: Petrus Lenes
Function: Quality
Date: 13.01.2026

(all sections below are mandatory, when not applicable state N.A.)

Producer:	on behalf of Strik bv at Hanns G. Werner GmbH + Co. KG
Trader/Importer:	Strik bv
Production site:	Hanns G. Werner GmbH _ Co. KG
Tel.no. QA contact person:	Petrus Lenes
E-mail address QA contact person:	gm@tastestrik.nl

Article number supplier:	215.00022
Product name supplier:	Mix of Blue and Pink Sour Sugar Bites
Description supplier:	Mix of Blue and Pink Sour Sugar Bites
Country of origin:	Germany
Referred (int./EU) standard:	EU
Legal declaration:	See product specification
Legal in country:	EU
Relevant / applicable legislation:	EU Food law

2. Delivery Requirements

Labelling/ batch code:	215.00022_BC_XXXXX
Packaging (size and types):	Big-bag
Transport conditions:	ambient temperature
Others:	
Customs tariff number/CN code:	17049061
Refund tariff:	

3. Storage and Packaging conditions

Storage conditions:	In the unopened packaging, dark and dry, <65% rh
Shelf life:	18 months from production date
Packaging material:	PP copolymer, food approved

Product contactliners shall be visually distinct from products (e.g. blue) and of sufficient thickness to reduce the potential for ripping or being damaged. In case re-usable bulk containers are used, they must be marked in compliance with EC/852/2004

Primary packaging material is in compliance with EC regulations 1935/2004 framework, 2023/2006 GMP for food contact materials incl. directive 10/2011/EC with amendments for plasticmaterials and 94/62/EC with all amendments (packaging waste and heavy metals).

Attach a Declaration of Compliance for food contact packaging according to EU/10/2011

	Type of document	Catagorization	
	Registration form	recipe and specification	
	Title Raw Material Information File		

4. Samples and certificates

Pre-samples before receipt:	no
Analysis certificate with all deliveries:	yes (Certificate of conformity)
Cleaning certificate:	no

5. Labelling information: in accordance with Regulation EU (NO) 1169/2011, 1333/2008 and 2001/111 including all amendements.

Additives with E number

Ingredients:
sugar, acid (citric acid), maltodextrin, colouring food (acerola fruit, red beet, spirulina, lemon)

6. Ingredients/ additives	%	Source material*	Country of origin	Comment
sugar	91,1	sugar beet	Germany, Belgium	
acid (citric acid)	7,6	fermentative	China	
maltodextrin	1	maize, wheat	EU	
colouring food (acerola fruit, red beet, spirulina, lemon)	0,3	spirulina platensis, malpighia glabra, citrus limon, red beet	France, South America	

* State source material always for all starches, sugar, molasses, gelatin, all animal and vegetable fats and oils.

In case of vegetable fats and oils - state if fully or partly hydrogenated.

Always state content of cocoa solids, Milk solids and Milk fat

7.1 Sensoric standards	standard	limits

	Registration form	recipe and specification		
	Title Raw Material Information File			

12. Physical Contaminants (HACCP)		limit	way/frequency of controlling	
Is the material metal detected (MD) at the end of production line ?	yes	if yes, calibration frequency :		
		ferrous 0,5 mm	non ferrous 1,2 mm	Stainless steel 0,9 mm
Is the material been sieved at the end of production line?	no	if yes, mesh size _____ mm		
Is the material passing magnet at the end of production line?	yes	if yes, strength measured on extractor 6000 Gauss		

Others				
GMO	no	see statement below		
Irradiation:	no			
Animal origin:	no	suitable for vegetarian	yes	
		suitable for vegan	yes	
Kosher	no			
Halal	no			
Organic	no			
Contains the product palm (kernel) oil or ingredients made from palm (kernel) oil:	no	when yes, is it RSPO certified against segregated supplychain model ?(minimum requirement, attach certificate if applicable)	yes/no	
Is the raw material certified UTZ/ Rainforrest Alliance?	no			
Health & Safety:	Attach Material Safety Data Sheet according to: REACH regulation EC 1907/2006, Annex II			

Statements
This product will be labelled with article number, article name of Cloetta, date of production, expiry/BB date and lot code. From all raw materials containing ingredients that are on the list of EU approved and/ or locally approved GMO's, the supplier shall send a special proof, that labelling according to EU legislation 1830/ 2003 is not required From other raw materials from another vegetable origin and/ or produced with help of enzymes, the supplier shall send a declaration, that labelling according EU legislation 1830/ 2003 is not required The products comply with all applicate local food law regulations as well with all applicable European Food Law and hygiene requierments. In particular Directive 2001/111/EC and Regulation 178/2002/EC. Alterations in Material Safety Data Sheets will be communicated to the Cloetta representative(s). No alterations are being implemented by the supplier without notification and approval of the adequate Cloetta representative(s).
